1. FEC worked on the faculty preference sheet submissions to be sure that the faculty required to begin service did submit a preference sheet. The DOF/VPAA will contact those who are required to do so, but did not fill out the sheet.
2. FEC discussed moving the election back one week to begin on 11/7, but wondered if FEC would get some faculty “push back” if we did so.
3. FEC decided that the two year positions open on FEC and CAPT will probably be appointed unless there are numerous #1’s on the preference sheets.
